Re: Monthly Report - November 2008

Report Summary:

Crime data and monthly departmental activity is summarized with a historical perspective.

Comparative Data:

Uniform Crime Index Offenses decreased in November with 298 reported incidents.

Report Analysis:

There were 60 reported assaults, 38 of which were family violence assaults.

Habitation burglaries increased by four incidents. Of the 29 burglaries reported, force was used to gain entry in sixteen homes; seven homes were entered through an open garage door. Entry was gained into three homes through an unlocked door or window. It is unknown how entry was made in three homes because there were no signs of forced entry.

Burglaries of buildings increased by thirteen incidents; 12 of the 38 buildings burglarized were in construction sites. The majority of the rest of the businesses burglarized were targeted for their big screen televisions.

Burglaries of motor vehicles (BMVs) decreased by 15 in November. Of the 60 burglaries reported, 23 vehicles were entered by force, 32 were entered through an unlocked door, and it is unknown how entry was made in 5 vehicles as they had no signs of forced entry.
